Dedication

Mrs. Linda L. Hess

We, the PAWPRINTS Staff, with great pride and pleasure dedicate the 1977 PAWPRINTS to Mrs. Linda L. Hess. Her devotion is not only evident in her teaching, but she has respect and concern for each student.

Mrs. Hess, a native of Shippensburg, attended Shippensburg State College where she received her Bachelor of Science and Master of Education degrees in Business Education.

She began teaching at NB in 1971 and has served for two years each as a senior class advisor and a sophomore class advisor. She is presently co-advisor of FBLA and is in her fourth year as our yearbook advisor. In her "spare time," Mrs. Hess enjoys working on ceramics, traveling, and sports.

We hope that she will always cherish the memories of her years at Northern Bedford, and we are honored to dedicate this book to her.

Seniors feel that school means . . . a required habit, the bus ride, 12 years, jail, getting up, NBC, boring, education, drag, study hall, 3:30, going fast, homework, tests, again?!?

Also, when they hear ''sports,'' they think . . . We're #1, hubba, winning, sweat, football, competition, fun, undefeated, action, great, champions, coaches, practice, dedication, tension, sprints, injuries, sweaty socks.

MOST INTELLECTUAL
Marietta Fluke and Duane Dilling

ON GRADUATION DAY . . .

by Alice E. Chase

The high-school band strikes up the march,
And walking two by two
In caps and gowns the graduates
Move slowly into view.

Fresh faced and young with eager eyes
That focus hopefully
Beyond their narrow little world
On what is yet to be.

The boy ''most likely to succeed''
Is certain that he will!
The classroom scribe just wants the chance
To prove her writing skill.

The football captain's sights are set
On bigger fields to play.
The ''prettiest girl'' would like to see
Her name in lights someday.

The would-be doctor plans to hang
A shingle on his door.
The prize debater wants his words
To reach the Senate floor!

All standing on the threshold
Where dreams will soon compete
With life's demands and challenges
That everyone must meet.

And as we watch them walking
Slowly two by two,
We pray that God goes with them
Whatever they may do.

And that they keep within their hearts
Each step along the way
The spark of hope that lights their eyes
On graduation day!

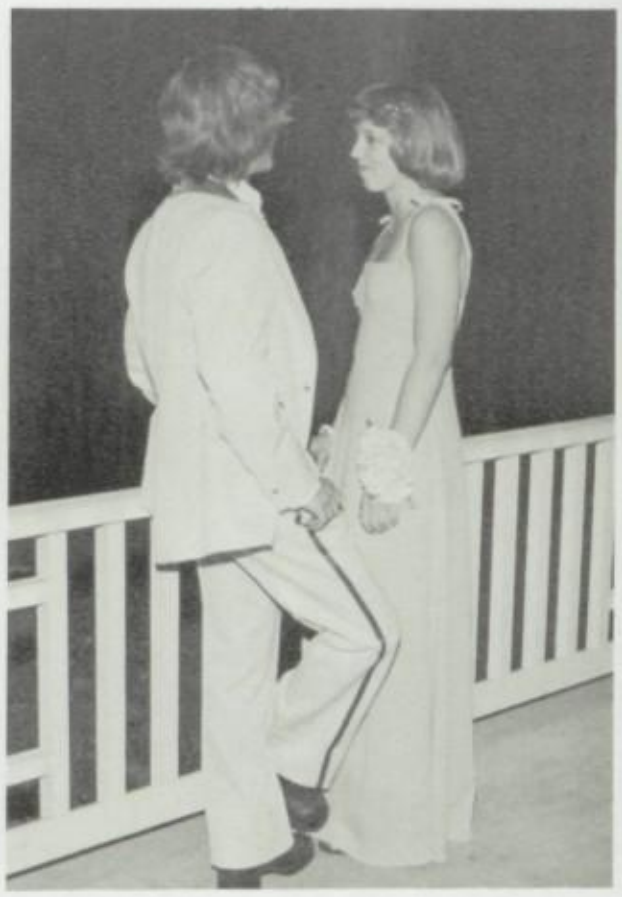
"Feelings"

Queen Leslie Bowser & King Jay Clark

"Feelings" was the theme of the Northern Bedford Junior-Senior Prom held on May 13, 1977, at 8:30 p.m. This annual event was held at the Bedford Elks Club with Kandy Apple providing the music. Greg and Kim Batzel, 1976's King and Queen, crowned Jay Clark and Leslie Bowser as this year's king and queen. The afterglo was held at the high school from 12 to 5. "How to Frame a Figg" and "Who's Minding the Mint" were the featured movies. Students also enjoyed playing ping-pong, basketball, cards, and bingo. The door prize--a bean bag chair--was received by Nancy Guyer. At 4:30, breakfast was served in the cafeteria by the parents of the junior class.



Robin Clark and Jeff Koontz, 1976 King & Queen: Greg and Kim Batzel, Queen Leslie Bowser and King Jay Clark, Junior Couple: Donna Ritchey and Dale Crawford, Teresa Steele and Brian Pressel, Sandy Cottle and Brian Detwiler.

Cathedral of St. John the Divine

Show me the way to go home,
I'm tired and I want to go to bed.

Fifty-five seniors and their chaperones, Mr. & Mrs. Harry Guyer and Mr. & Mrs. Charles King, traveled to New York City, May 21 to 23, for the annual class trip. Just a few things the seniors experienced were riding a ferry boat to the Statue of Liberty, overseeing NYC from the Empire State Building, strolling through Chinatown, touring the United Nations, and shopping at Macy's--the largest department store in the world! They also enjoyed watching "Magic Show" on Broadway and seeing the film "Smokey and the Bandit" and the Rockettes at the Radio City Music Hall. As the group headed toward home only memories of the exciting experience remained.

The success of the play was the product of much hard work and dedication by all connected. Superintendent

As the Class of 1977, you are a "number one"--a first class in the third century of our nation's history. As such, it would be appropriate for you to reflect on the quotation of President Carter in his inaugural address:

> "We must adjust to changing times and still hold to unchanging principles."

We commend it to you as a guide for your years ahead.

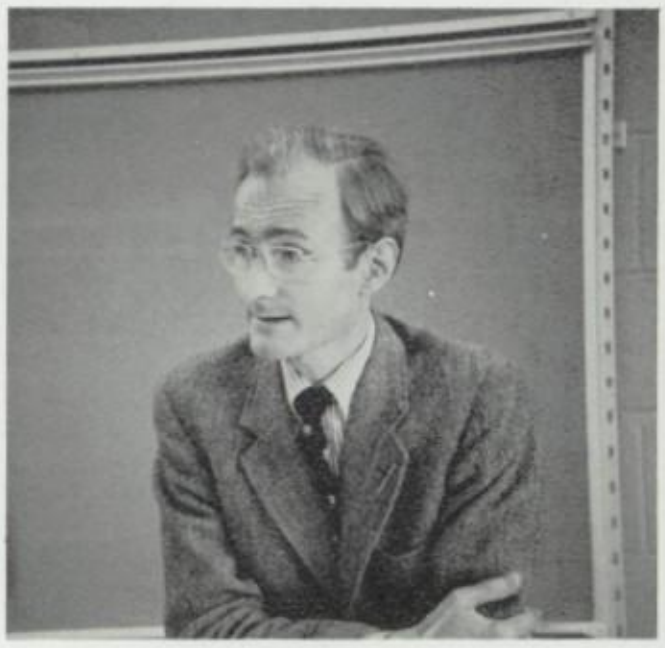
"Our Mr. Brown from England"

Elizabeth Lindsay Brown, Juliet Margaret Lindsay Brown, (4), William Francis Ray Brown, Richard Francis Brown, (6).



For Francis, Elizabeth, Richard, and Juliet Brown from Great Britain this has been a memorable year. We have so enjoyed the warmth of your welcome and hospitality with the beauty and variety of the passing seasons in Morrisons Cove. To work in such a fine school as NBC is a privilege. If, on your side, you have gained some insight into the European heritage we all share, and the future we can shape together, it will have been a fruitful, as well as an enjoyable, year.

Reflections by Mr. Brown at Commencement . . . The students in my homeroom always begin each day with the pledge to the Flag. It is a moment which I have always found a moving one . . . One of the greatest tasks we have in education today is to help students evaluate their freedom in a world where the number of nations enjoying liberty is rapidly shrinking. This means seeing over the next mountain to the world outside . . . One of my most memorable experiences in this connection was sitting in the pouring rain watching NBC playing at Williamsburg. My small son and I sat swathed in waterproof sheeting between the Principal and Superintendent while we drank cups of hot tea which Mr. St. Clair had thoughtfully provided . . . When I first arrived, I gained the impression that American boys and girls didn't litter. Now I've learned that they do throw litter, but your maintenance people pick it up quicker than the students put it down . . . I believe by this exchange there will be two teachers who are better.

In Memory Of

STEVEN EUGENE CRAWFORD

A good friend is from us gone;
A voice we heard is stilled.
A place is vacant in our school
Which never can be filled.
His going was so sudden;
It made us weep and cry.
But, oh, the saddest part of all,
He couldn't say good-bye.--Dorleda Gorman

The varsity football team finished another championship season with an outstanding 7-1-1 record. The team captured the number one slot in both the MOUNTAIN HIGH LEAGUE and the INTER-COUNTY LEAGUE. After getting off to a bad start by dropping their first game to Southern Huntingdon by a 16-12 margin, the Panthers came back to play championship football by racking up 7 straight wins before playing to a 0-0 tie with a fired-up Kish team.

Pacing the Panther Offense was big senior tailback Jeff Koontz, who gained 1558 yards on 242 carries for an impressive 6.4 yards per carry. Not only leading the team in rushing, but also in scoring, Koontz tallied 19 touchdowns for a total of 116 points. While the offense was scoring an average of 20.78 points per game, the defense was holding the opponents to 70 points or 7.78 points per contest. The team did not go undefeated like championship teams before, but they played like champions and that's what makes champions. A quote from a player was, "We had some high notes and some low notes, but all the rest was harmony."

AND THAT'S WHAT IT TAKES TO BE CHAMPIONS!

The jayvee gridders made a great, undefeated-untied season even better by accomplishing the rare feat of going unscored upon. "It was," as Coach McCahan stated, "a total team effort with the boys showing a lot of pride, desire, and hustle."

The team scored 198 points on the season, with junior John Beach scoring 82 points to break the former JV record of 80 points held jointly by All-Stater Fred Glasgow and Roger Pepple. The fine defense, coached by Joe Nastasi and Lou Ewart, scored 4 touchdowns and 2 safeties in addition to constantly turning the ball over to the offense in good field position.

The Junior Panthers' tough defense shut-out four opponents and permitted its opponents a total of only 30 points. Running from a basic I-formation when on offense, the squad scored 48 points against bigger defensive teams. The team also showed much poise and determination as they came from behind for a victory against a strong Everett team.

Since the re-instatement of the Junior High Football program in 1973, the Junior Panthers have compiled a record of 19 wins, 4 losses, and 1 tie.

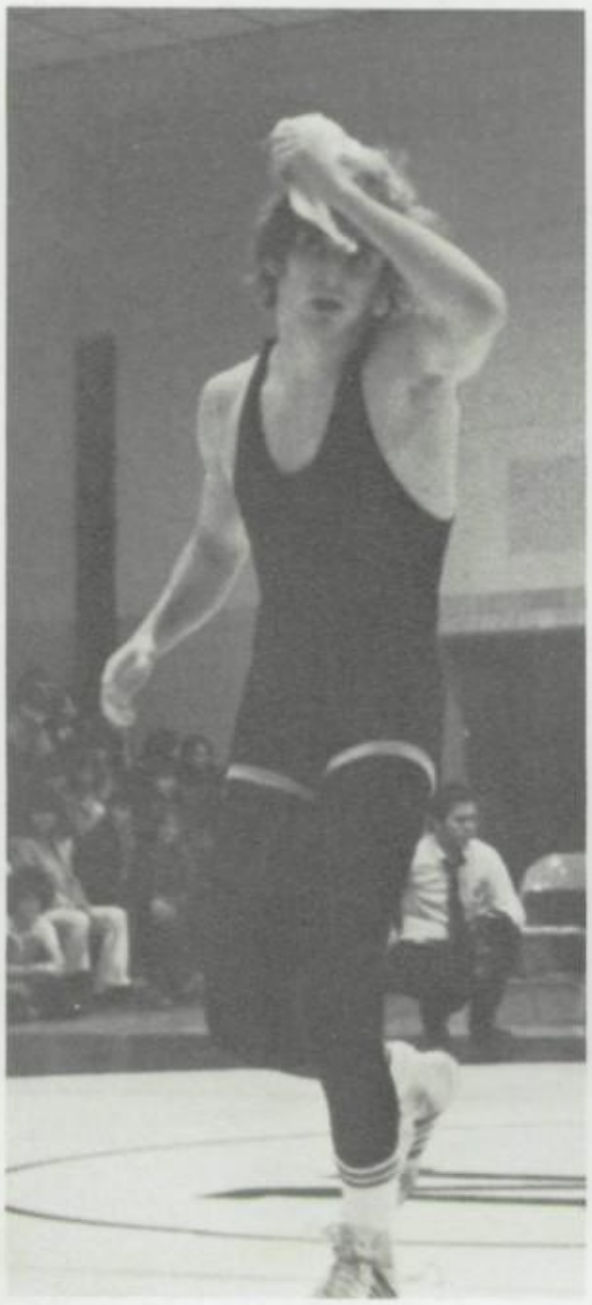
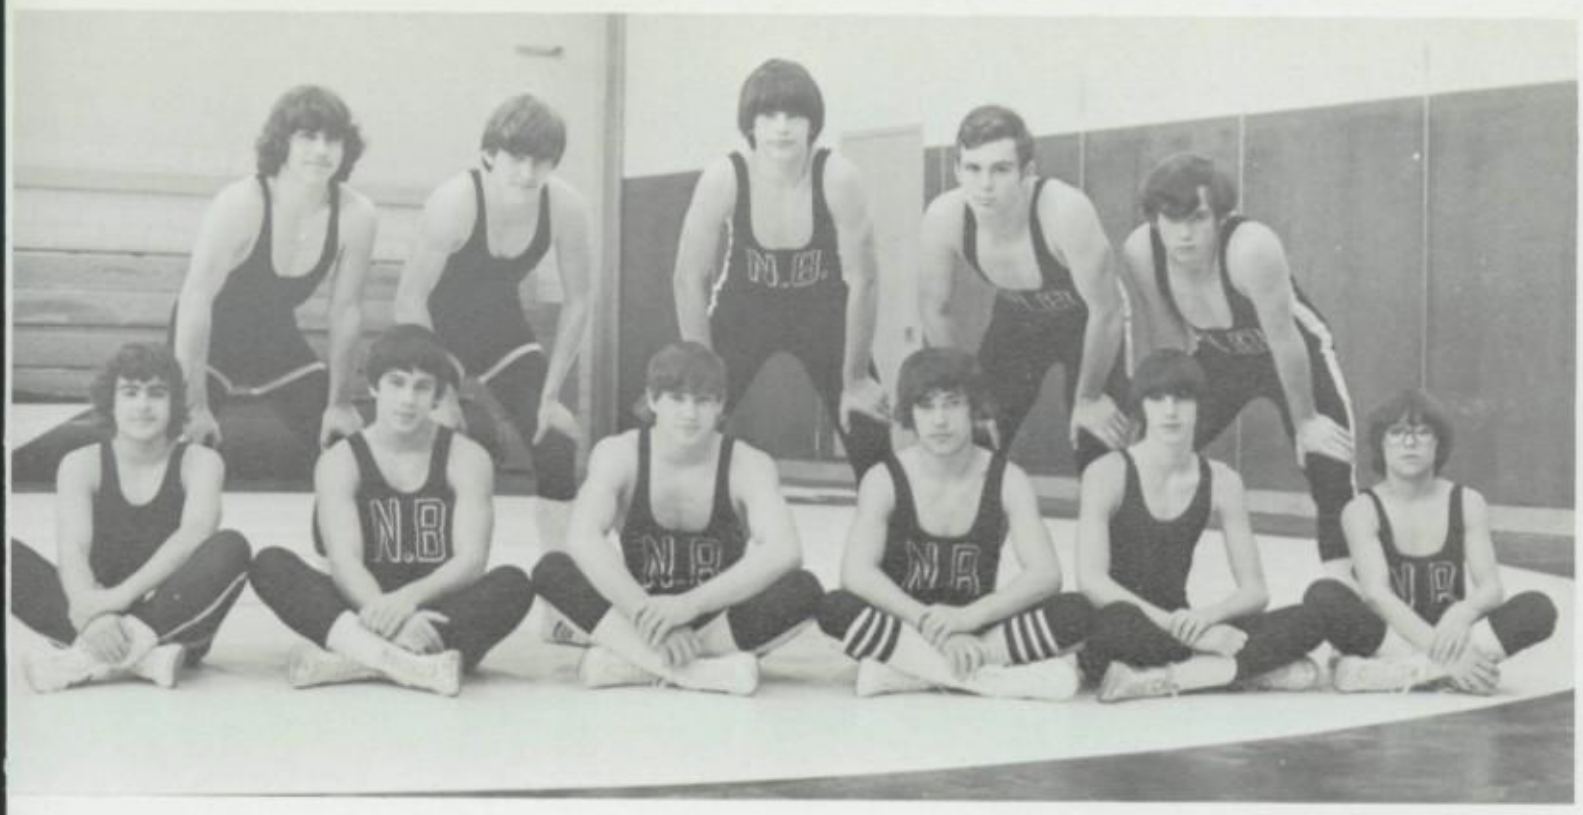
Jan Clark Takes 3rd State Title



A state championship is hard to get and two state championships are almost unheard of, but senior wrestler Jan Clark this year won his third straight class AA state championship and in doing so set a state record for wins in a career with 109.

In Jan's four year varsity career, his record has been 109-5 and besides his three state championships has been state runner-up once, District V champ four times, regional champ three times, and has won a number of other tournaments.

Jan has brought a lot of excitement to Northern Bedford wrestling, and he will be missed very much in the years to come.



The JV wrestling team compiled a winning 7-6 record against tough area teams.

Leading the team in wins were John Beach, 10-1; Joel Amick, 9-1-2; John Crawford, 8-1; and Steve Dodson, 10-2.

The JV team participated in the Bedford Invitational Tournament where John Beach took first place and John Crawford, Steve Dodson, and Tim Gochnour each captured second place in their respective weight classes.

As we have turned through these pages depicting the past events and activities of the 1976-77 school year, we pause to think of the future. Each person has his own ideas and dreams of what the future will bring, but it will never equal our high school days at NB.

With the help of this, our 1977 PAWPRINTS, we sincerely hope that the memories of each day and the special events of our school will not be forgotten.

We would like to express our sincere thanks to all who have given of their time to make this 1977 PAWPRINTS possible. We would like to express our gratitude to the administration, faculty, and students. Also, special thanks to Nevin Albright, school photographer; John Mitchell, yearbook representative; and Linda Hess, yearbook adviser.

Co-Editors,

Karen Detterline
